CLUB MEETING

Wednesday 2 September 2015

Commences 8pm (please be punctual)

Guest Presenters

NEIL & ALISON PAULETT

Vineyards over 100 years old, the brand over 30 years old, the styles as old as we are, but reflecting today's desire for clean, fresh and delicious drinking. This is what we all love about Clare and the beautiful wines produced here. Neil and Alison started the winery from scratch and it is a privilege to have them come to the club and share their vision.

Guests welcome. Please contact Kaye.

New Members Information pack

We have recently updated our letter of Welcome to new members. As well as this we now have a selection of informative documents that will be forwarded to new members with the letter. These currently include:

- A comprehensive glossary of Winemaking Terms
- The Wine Aroma Wheel
- A systematic approach to tasting wines
- A glossary of Wine tasting terms.

If any current member would like to be sent any or all of these documents, then please email me with your request and I will forward the documents to you.

How to open a bottle of wine! Brilliant!

Thinking of all my engineering friends and others who just enjoy a glass of the wine, you will appreciate the corkscrew and wine dispensing unit featured in the link below. Enjoy and share with others.

PS. Rumor is that the engineering student who invented this did so for his Master's thesis.

For all you wine drinkers, I present:

The Engineering Version of a corkscrew,

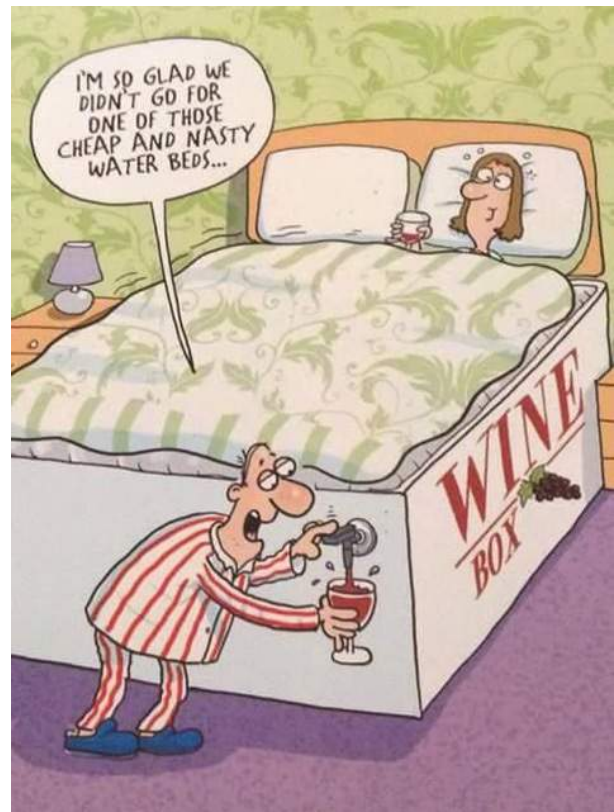

Nothing simpler – finally a corkscrew that is practical and convenient.
