Commences 8pm (please be punctual)

Guest Presenter

Michael Trembath

"New Varietals – New Values"

As consumers, we have become more familiar with Italian varietals over the past few years, but as members, we can thank Michael for really giving us the Bottom's Up thanks to his erudite and informative presentations. He is further stretching us tonight with 10 wines from different regions, and varieties which spell check didn't know!

For those who are new to his presentations, you will certainly walk out knowing more and thirsty for more when you leave!

Guests are welcome and desired!
