Dear Club Members

Apologies for the short notice but unfortunately it has been decided that the deferred 2020 Christmas Dinner at Arkibar will NOT be held on Wednesday 3rd March. The reasons for this decision are that we were unable to get sufficient numbers to be viable for the restaurant as well as the ongoing risk of another lockdown.

No decision has been made yet as to whether it will be rescheduled to a later date.

Also please note that no Club meeting will be held on 3rd March either. All going well the next Club meeting will be held on Wednesday 7th April.

Regards

Tony O'Brien

President
