Dear Shiraz Club Members

Unfortunately the Shiraz Club has not been able to meet since the Wine and Food Night in March. I hope all of you have managed to cope with the lockdowns without too much difficulty and enjoyed some fine wines in the process.

As you may be aware the Christmas Dinner was scheduled to be held on Wednesday 2nd December at Arkibar. It had been hoped that it might be possible that the lockdown may have been eased enough to go ahead with it, but under current restrictions it is not feasible to hold it on that date.

Should restrictions be dramatically eased next week consideration may be given to holding it on the due date, but meanwhile the thought is that we will hold a belated Christmas Dinner next March in place of the Wine and Food Night, subject to restrictions being lifted of course.

On behalf of the Committee I'd like to wish you all a Merry Christmas and a Happy New Year. Hopefully we can all look forward to meeting again at a Club meeting in February.

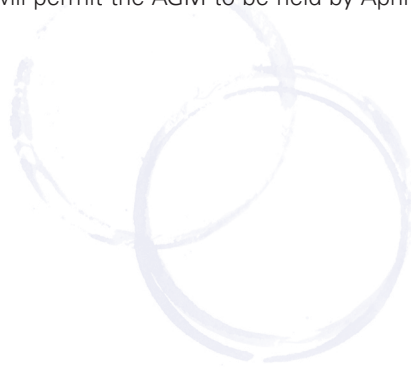

Regards

Tony O'Brien
President

Annual General Meeting Deferred

Due to the current restrictions in place preventing large indoor gatherings, the Club's AGM has been deferred and will be held next year.

The Club successfully applied to Consumer Affairs Victoria for a three-month extension to hold its AGM. This will permit the AGM to be held by April 2021.
