## MOUNT LANGI GHIRAN

If you have been holding off coming to our Club nights, this is THE ONE to diarise...

What a coup! Mount Langi Ghiran is one of the most iconic wineries in Australia. Adam initially started his career under the tutelage of Trevor Mast, before travelling around Australia, Napa and Bordeaux to further his skills and diversify his knowledge. With many wineries seeking his expertise along the way, he has finally come full circle and along with a dedicated team, is continuing Trevor's legacy, making outstanding wines across a number of varieties.

Like so many people we have heard about in this wonderful industry, Liz started her working career in a completely different environment – Wall Street! But.. passion drives people. She is responsible for making some of the best Shiraz from this brand – and therefore, in Australia. In the words of one Michael Thomas "these are some of the best wines I have ever sold"...
