Guest Presenters

MARCO & PORTIA TOVAZZI
Owner/Winemaker
Mt. Wines
Yarra Valley Vic

Marco's wines pay homage to the awe inspiring Monte Bondone, the great mountain that towers over his hometown in Northern Italy. It is here that Marco grew and developed his dedication and passion for winemaking, before bringing his knowledge to Australian soil. In the first couple of years down under Marco has worked in different wine regions across the country, having the opportunity to work with different grape varieties in different climates.

He eventually settled in the Yarra Valley in 2015, where he and his partner Portia started Mt. Wines in 2017.

Nowadays Marco produces small batch wines from the Yarra Valley and Heathcote wine regions. Working solely with premium, quality grapes, taking a hands-off approach to winemaking and responding to the individual subtleties that each variety and year offers, mt. wines remain truly distinctive and site representative.
